

PRESENT LIQUOR ACT BRINGS  
NEW RESPECT FOR LAW,  
SAYS BRYAN

Edmonton, March 7.—"There is very little bootlegging at the present time in the province, and I find that the public generally are willing to give us information, whereas previously, under the old act, it was very hard to obtain," is one of the statements contained in the annual report for 1926 of Commissioner W. C. Bryan, of the Alberta Provincial Police, just handed in to Attorney-General J. F. Lymburn.

"There is a marked increase in respect for the law," continues Commissioner Bryan's report. "Under prohibition, the police appeared to be almost alone in their efforts to enforce it; there appeared at that time to be a general idea that it was 'smart' to circumvent the

SHANGHAI MUST FALL TO  
CANTONESE, VIEW OF BRIT-  
ISH OFFICIALS

London, March 8.—British official observers foresee the complete control of Shanghai by the Cantonese shortly as a result of the realignment of the Chinese war lords.

They believe that the fall of Shanghai would not be likely to produce a crisis in the relations of the Cantonese with the foreign powers nor increase the menace to foreign life and property so long as the present foreign defence forces are available there.

## Defenders Face New Menace

Shanghai, March 8.—Shanghai's northern defenders under Gen. Chang Tsung-Chang today found themselves faced with a new menace.

The Cantonese have strongly occupied Wuhu, about 65 miles up the Yangtze from Nanking and roughly 200 miles west of this city.

The definite alignment of Chen Biao, governor of Anhwei province, with the Cantonese, taking with him the Southern Anhwei forces, has compelled General Chang, while standing off the Cantonese in Kiangsu, to wheel about and guard his rear against the new menace toward Nanking.

Indications are multiplying that the problems of defending his six hundred mile line of communication from Shanghai to Tsinanfu against the Cantonese penetrating tactics, propaganda and infiltration of un-armed troops as well as military weapons, may be beyond the resources of Chang Tsung-Chang.

It is impossible to foresee what may happen in view of the manifold, and confused factors involved, including the possibilities, ever present in Chinese warfare, that compromise or treachery in one form or other may decide the issue.

HIGHWAY BUS TRAFFIC WILL  
BE CONTROLLED

Edmonton, March 9.—A new bill placing control of rates charged by motor buses or trucks used to carry freight and passengers over the highways of Alberta under the Public Utilities Board of the province has been introduced in the legislature, as forecast some time ago in The Herald.

The bill puts wide powers of regulation of such motor traffic in the hands of the government by order-in-council, and further requires that every owner of a public vehicle of this nature shall take out insurance against damage to passengers, express or freight.

By order-in-council the government may classify and regulate the use of such vehicles on any class of roads, prescribe the form of license and fix the fee, fix the maximum number of passengers or freight, and make all rules and regulations for their operation on public highways.

One very important authority proposed to be given to the government by the bill is to "grant by permit to one or more persons the exclusive right to operate a public vehicle upon any public highway or highways which may be by him specified and described, and fix the fee to be paid for every such permit."

FLAT INCREASE RUMORED  
FOR CIVIL SERVICE

Ottawa, March 8.—The Journal carries the following in its news column this morning:

"The long deferred revision of salaries for the civil service will soon be granted, the Journal learned last night from a reliable source, and it is fairly well understood that a flat increase of \$12 per year will be granted to every member of the public service."

"With the return of Premier Macleod King, activities in connection with civil service matters were resumed and it is understood that the cabinet will make its final decision today."

"A sub-committee of ministers was appointed by the prime minister to deal with civil service matters. The sub-committee has received a report on salary revision from the civil service commission and has also received several delegations every morning practically the entire public service."

"It is definitely understood that the increase will be granted during the present session of parliament and become effective from April 1, 1927."

15 CENTS ON POOL WHEAT  
NEXT PAY

Winnipeg, March 9.—The sum of \$20,000,000 will go forward by cheque to the farmers of the prairie provinces who are members of the Manitoba, Saskatchewan and Alberta wheat pools today, it was officially announced by A. J. MacPhail, president of the Canadian Co-operative Wheat Producers here last night.

This is an interim payment on wheat and coarse grains. On wheat, all grades with the exception of Durum, 15 cents a bushel will be paid. On Durum and Durum mixtures the interim payment will be 20 cents a bushel.

The coarse grain payments follow:

Oats and barley 8 cents a bushel; rye, 12 cents and flax 20 cents.

The cheques will be mailed from the headquarters of the three pools today.

This brings pool payments since the Alberta pool began to operate in the fall of 1923, to over \$50,000,000.

## Alberta Payments

Approximately \$6,000,000 will constitute the first interim payment to Alberta farmers on 1926-27 wheat, according to the announcement made at the office of the Alberta wheat pool Tuesday night.

Cheques will be mailed from the pool offices, Calgary, today, making the interim payment on all wheat for which delivery cheques have been received. Because a coarse grain pool is not operating in Alberta, no payments for other than wheat will be made.

Beginning this morning pool wheat delivered at country elevators will be paid an initial payment of the original \$1 a bushel plus the amount of the first interim payment now announced.

ANTIFOREIGN MOVE BREAKS  
OUT AT NINPO

Shanghai, March 7.—Development of a menacing anti-foreign situation at Ninpo, south of Shanghai, on the east of Chekiang province, commanded the attention of the British naval authorities here today, and the flotilla leader, H.M.S. Keppel, was sent to that part.

Announcement by the Kuomintang (Cantonese) left wing of plans for an anti-imperialist demonstration on a big scale tomorrow has heightened the nervousness of the British and Americans remaining in Ninpo and several Englishmen left for Shanghai, Saturday.

Previously, nearly all the British and American women and children have been removed.

On Saturday a minor hostile demonstration at the China Mission Society's hospital caused two English nurses hurriedly to gather their few belongings and take refuge on a Shanghai steamer.

The vessel sailed before finishing loading when a large Kuomintang procession approached the docks. United States consular officials and mission leaders are considering the Ninpo question carefully but have taken no action.

## Movement Develops

The anti-foreign movement there has developed gradually since the Cantonese occupation began. Posters throughout the city denounce "imperialism" and "culture penetration," the latter being interpreted as especially being aimed at the missionaries.

Eugene Chen, the Cantonese foreign minister, has given Owen O'Malley, the British charge, a cheque for \$40,000 to cover damages to the British citizens in anti-British demonstrations. This is in accordance with the agreement signed at Hankow recently between Chen and the charge.

## Japanese Sailors Landed

Forewarned within the limits of Shanghai are gratified over the landing in the city of 500 Japanese bluejackets and their sense of security is further strengthened by the arrival at the port of 500 more Japanese marines. The bluejackets are billeted in the Japanese cotton mills ready for any emergency.

Japan now has nine warships at anchor in the Yangtze river, near Shanghai with 3,000 men available for shore duty if needed. When the Colmar Guard arrives, either today or tomorrow, the British force will approach 15,000 men.

There wouldn't be any cotton surplus if they'd make all pure wool blankets like the ones we bought.

### THE UNITED STATES AND WORLD PEACE

Dr. Nicholas Murray Butler of Columbia University, in his capacity of President of the Carnegie Endowment for International Peace, recently told a Milwaukee audience that subscription by America to the principles and ideals of the League of Nations is essential to world peace, and that the American policy of isolation and aloofness imperils the effectiveness of the plans of the European nations for the prevention of war.

At the moment when Dr. Butler was speaking in Milwaukee, American troops occupied territory in Nicaragua for the protection of American interests in that country, and to prevent the overthrow of the

government most friendly to those interests.

War between rival factions in Nicaragua threatens the safety of the heavy investments made by American citizens. ~~And the government~~ and sufficient excuse for interfering in the domestic squabbles of a foreign nation.

But what about American investments in Europe? During the past five years enormous sums of American money have been invested in Europe, and particularly in Germany. If the organization of the League of Nations had not removed the menace of European wars, it is safe to say that not one dollar of American money would have found its way into European enterprises or national loans.

The United States is serenely satisfied with the security to its interests afforded by the League, yet it refuses to bear any share of the heavy burden of responsibility which has been undertaken by the League in the cause of peace and humanity.

A splendid isolation, based on

selfish considerations alone, is nothing to be proud of, even if it is the avowed policy of the great American Republic.

### WHY WOMEN JOIN CLUBS

The rapid growth of women's organizations in Canada lends unusual interest to an analysis by Mrs. Emily Newell Blair in the current "Forum" of just why women join clubs.

Women, says Mrs. Blair, like to belong to clubs because their clubs are pretty nearly the only intellectual diversion available for the busy housewife. After a few years housework becomes pure routine and hopelessly uninteresting.

Then it is that women turn to club work to keep their brains from rusting.

Club work undoubtedly affords a welcome and essential relief from household drudgery. Women's clubs bring a new mental force into public life. They accomplish much good.

But why should housework become drudgery?

## GROWTH AND DEVELOPMENT OF THIS COMMUNITY

### Remember Then That:

The business of a town is its very life-blood.

The stores and business houses are not alone for the merchants.

Prosperous merchants will make the community prosper. The more buyers there are in a town, the greater "turn over" the merchants will have, and thus the more they will be able to reduce prices and increase the quality of the goods they sell.

### Thus By Trading at Home

with the home town merchants the people of Macleod become the builders of their own community.

### No True Citizen

will stunt the natural growth and expansion of his home town by fostering the mail order business of far away communities.

### Buy At Home

#### ANNUAL MEETING OF THE LADIES' AID OF THE UNITED CHURCH

The annual meeting of the Ladies' Aid of the United Church, Macleod, held on Thursday last week, was the largest meeting in the history of the Aid, over 40 members and friends being present.

The election of officers for the year was the principal business of the meeting so far as the regular business was concerned. The officers elected were: President, Mrs. W. A. Andrews; vice-president, Mrs. Arthur Young; secretary, Mrs. J. T. Doney; treasurer, Mrs. A. F. Grady. The various committees will be appointed by the president at the next regular meeting.

The most important and interesting event of the meeting was a presentation to the worthy president Mrs. Andrews. Mrs. Andrews was elected on Thursday for the twelfth year, in continuous succession, and the members of the Aid decided to recognize in a tangible form the long and faithful services which she has rendered to the church through her position as president of the Aid, and also in other forms of service. The presentation took the form of an address, artistically inscribed on velvet, and a very handsome silver flower basket, filled with lovely daffodils. Mrs. Arthur Young read the address and Mrs. John Forster presented the basket. The address was as follows:

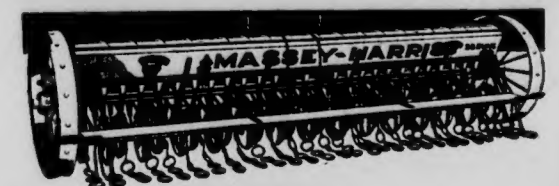

Dear Mrs. Andrews: "We the members of the United Church Ladies' Aid, would like to have you know that we feel deeply grateful to you in your capacity as head of our department. We have learned to value your services and to depend on your judgment and executive ability more than we have seemed to show. We assure you that each one of us has felt secure in her work with such an able leader. We would therefore like to give tangible expression of our appreciation, and would ask you to accept this gift with the hope that it will bring pleasant memories fresh as the flowers themselves."

Mrs. Andrews after thanking the ladies for the beautiful gift and the kind expressions of appreciation, said her duties as president of the Aid had always been a great delight and these duties had been made easy by the loyal support she had received from the members in all their undertakings. She assured them that every time she looked on their gift, it would remind her of the happy and pleasant times they had spent together in the work of the church.

The presentation to Mrs. Andrews was not the only one made that afternoon. Mrs. John Forster was also presented with a beautiful plant as the oldest member of the Aid, the oldest in years not in membership. Mrs. Forster who has reached the proverbial "three score years and ten" has been a most de-

voted and faithful church worker all her life, and still is taking an active interest and share in everything pertaining to her beloved church. Mrs. Forster has been a life long

member of the Methodist church. After the presentations refreshments were served and a pleasant hour was spent round the tea tables.

### MR. FARMER:---

Dear Sir:

Re: The New MASSEY-HARRIS SEED DRILL

Have you carefully considered the outstanding features of the New Massey Seed Drill as compared with any other Seed drill on the market? The New Massey-Harris Seed Drill represents the greatest value in Drills to be found anywhere.

GRAIN BOX. Massey-Harris is still the only manufacturer that supplies an All Steel Hopper. It has the largest capacity of any grain box and is the strongest and most durable.

FRAME. The Frame is exceptionally strong, sagging, twisting or breaking is unknown.

AXLES. The Axles are stub and are securely held to the Beam by heavy steel brackets—impossible for bearings or axles to get out of position.

FEED RUNS. A carefully machined feed run is used instead of the cast feed runs used by other manufacturers. There is no leakage of small seed and no seed is crushed or bruised.

ALL STEEL WHEELS. Another exclusive Massey-Harris feature, steel wheels with wide concave faces.

POWER LIFT. This can be operated by both or either wheels, a real advantage in turning corners and in going around rocks and sloughs.

BOTTOMS. The Bottoms are of malleable steel and are interchangeable, Single Disc, Double Disc, or Shoes.

ALEMITE OILING SYSTEM. All Massey-Harris Drills are equipped with the Alemite oiling system. A great time-saver and will prolong the life of your Drill. Compare this with the oiling system on other makes of Drill.

GIVE YOUR CROPS A CHANCE. USE A DRILL THAT WILL SOW THE SEED PROPERLY THUS GIVING THE CROPS A GOOD START.

Do not buy a Drill until you have talked it over with us and compared the New Massey-Harris Drill with the others.

YOURS FOR A BUMPER CROP.

A special meeting of the Jubilee City W. I. Girls' Club was held last week in the parish hall, in order to meet the provincial supervisor, Miss Noble. The constituency convenor, Mrs. Mulholland, was also present. Miss Noble in her address urged mothers and Institute workers to support the girls, and see that a number of the members of this club be sent to the annual convention at Banff in July. The members and visitors were entertained with the following program: Ester Oliver, recitation; Florence Lantinga and Dora Parker, piano solos; Mina

Ringland, vocal solo. Refreshments were served.

N. W. Dilatash, of Waterton Lakes, was a business visitor to Macleod today (Thursday).

Miss Olive Young, of the K.A.Y. Offices will return from a two weeks' vacation spent at Calgary and other points, on Saturday.

Mr. and Mrs. Wesley Shield and Moss Lois returned on Saturday last from a month's vacation spent at Vancouver, New Westminster and Seattle.

The Macleod Golf Club held a jiffy dance on Tuesday night of last week in the Hudson's Bay hall, at which there was a large crowd in attendance. The object of the dance was to raise funds for certain improvements required on the golf course before the 1927 season begins. To attain this end and raise the desired amount, the club, previous to the dance, sold a large number of admission tickets, on which was printed a number, offering three valuable prizes to the lucky numbers which would be drawn during the dance. Shortly after midnight, Miss Betty Ward was asked to draw the winning tickets, which were as follows: 1st, Joe Lamire, No. 169; 2nd, Neil McCaig, No. 416; 3rd, Wm. Brewster, No. 558. The music for the dance was supplied by the Glen

Ed. Walker, of Spring Point, has been busy finishing plans for a patent from which he hopes to derive a big monetary benefit.

Walter Brooks, of the L. N. I. D., who has been spending a month's vacation at Vancouver and Spokane, returned to Macleod Saturday last.

At the regular meeting of Macleod town council held on Monday night last, nothing of special interest was dealt with—routine matters only coming up for attention.

Mr. Justice Walsh will preside at the Criminal Sittings of the Supreme Court to be opened here on Monday. Three cases are on the calendar to be disposed of—namely Rex vs. Qung Hon and Mah Hong, Rex vs. Chin Long (libel); Rex vs. John Dobek (shooting with intent).

The Rev. and Mrs. A. C. Wishart went to Calgary Wednesday morning, where Mr. Wishart attended a meeting of Calgary Presbytery on that day, and also preaches the sermon in Grace Presbyterian Church on Thursday evening (today), on the occasion of the induction of The Rev. Jas. McNeil.

At the regular monthly meeting of Macleod and District Board of Trade held last Monday evening besides the routine business considerable discussion took place regarding a "buy-at-home" campaign, and as a result a committee consisting of James Young and R. A. Clement was appointed to call on the retail merchants of Macleod with a view to getting their ideas as to how the matter should be approached, and whether or not they would as a whole be in favor of a small initial expenditure to defray the expenses of Geo. S. Hodgson, secretary of the Retail Merchants' Association, Edmonton, who would come to Macleod and outline a campaign for the retailers consideration. Also a committee consisting of President Winter, D. J. Grier and O. P. Finnet was appointed to call on Macleod Council and enlist its co-operation in the matter of a suitable observance at Macleod of the Dominion Diamond Jubilee, and upon their approaching the council at the close of the Board of Trade meeting they were assured of its co-operation, and it was arranged that a public meeting would be called to consider ways and means of putting on a suitable Diamond Jubilee celebration at Macleod on July 1st, 1927.

## REACH & COMPANY, Ltd.

GENERAL MERCHANTS—DRY GOODS, LADIES' AND MEN'S UNDERWEAR, BOOTS AND SHOES, GROCERIES, VEGETABLES AND FRUITS.

We have a few dozen of Watson's silk and wool combinations, ankle length. Now this is a bargain, you can carry them over for next year. We have dropped the last quarter reduction, so this will make them \$1.50 per garment, come and feel of them, a lady buried her face and neck in them and said the feeling was scrumptious, saying "Oh, I could go to sleep right here."

The Women's Kid Balmorals are going fast, they cost us from \$5.00 to \$7.00, and we are offering them at \$1.00 for Dongola and calf.

Colored crepes were advertised at 25c per yard. They are going fast. Don't forget these are English colors in 12 different shades. There are only 3 of these striped worsted skirts left at \$1.75. They will do for your grown up girl. They look very nice and the wear is lasting.

Don't forget that we carry the largest stock of silk hose in town, in all shades.

Real English Flannels, fast colors, 54 inches wide. Quite a few persons in Winnipeg went to the hospital with frost bitten legs. Use silk and wool a little longer and wear our silk and wool combinations 2 months longer, the little cost in beauty effect is negligible.

We think that we can fill all price and varieties in groceries. Some stores pick out leaders and advertise them, but these prices don't represent the other lines. We don't think that the 1/2 of 1% is on the average paid by indiscriminate to Reach & Co.

### SPECIAL PRAYER SERVICE FOR FOREIGN MISSIONS

Friday, March 4, being the day set apart by the Women's Missionary societies of the various churches throughout the Dominion as a day of prayer on behalf of home and foreign missions, the members of the societies belonging to the Anglican, United and Presbyterian churches in Macleod met in the Presbyterian church at four o'clock in the afternoon. About 40 ladies were present and Miss Muir, president of the W.M.S. of St. Andrew's church, presided.

After singing the opening hymn, Miss Muir gave a short address on purpose of the meeting, thereafter the program set for the meeting was taken part in by the following members: Scripture reading, Mrs. Hill; prayer for Canada, Mrs. L. Stedman and Mrs. Ringland; prayer

for Japan, Mrs. Griffin; prayer for India, Mrs. Brown; prayer for Moslem world, Mrs. Leary; prayer for other fields, Mrs. Claud Gardiner; prayer for League of Nations, Mrs. Whipple; hymn; prayer of thanksgiving (in unison); God Save the King. Benediction in unison.

Hume on his work in east central Alberta and western Saskatchewan in 1925 during which he determined the Ribstone-Blackfoot Anticline. This information has already been given to the public in the form of a mimeographed statement. The publication of the report now renders the statement available in printed form. There are notes by E. D. Ingall and D. C. Maddox on the results of borings conducted during the year, and reports by Dr. J. F. Wright and C. A. Merritt respectively on the Oxford and Knees Lake area, and the Bigstone and Fox Rivers area, Manitoba. Copies may be had on application to the Director, Geological Survey, Ottawa.
